**Timothy A. Dimoff**

Dear Timothy,

We would like to take this opportunity to thank you again for your contribution to "2009 OPS Security Conference: Securing Partnerships".

You will be pleased to know the conference was well received by our delegates, and your contribution was certainly part of the reason. The score out of 5 for your session titled "**Security/Liability Issues in Corporate America . . . Is your Company Prepared?**" on the delegate evaluation forms averaged **4.28** for content and **4.44** for delivery/style.

Speaker scores ranged from a high of **4.78** to **3.44** with an overall average of **4.17**. The Conference was rated overall as **4.28**, or Very Good to Excellent. If you would like to discuss the evaluations of your session in more detail feel free to contact me directly.

We appreciate your time and efforts in making this Conference a real success.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Chris Lutz". The signature is fluid and cursive, with a large loop at the end.
