Mr. Dimoff:

Thank you for participating in the May 2 symposium entitled: "Preventing the Unthinkable: A Roundtable Discussion of Safety and Security at UA and Summit College." Audience members had many positive remarks with regard to both the substance and style of your presentation. When attending students were asked what stood out most in their mind about the symposium, several indicated that your remarks were a highlight. In addition, your comments on the panel were thoughtful and instrumental to the success of the program.

I especially appreciate your effort in light of the short notice given for this event. I look forward to future collaborations and please do not hesitate to contact me if I can be of assistance in the future.

Thank you again for your time and consideration.

Sincerely,
